SAT  
15TH  
OCT

As a proud member of the Redlands community, this year our annual  
Fit Stuff Fundraiser will help raise funds for a local organisation  
called Pink Pamper Packs. The PPP project aims to donate two gift  
packs per week to Women Struggling through difficult times.

With your help we would love to donate funds for their new centre for  
women that is in the process of being developed. For more information  
on this program please visit [www.pinkpamperpacks.com](http://www.pinkpamperpacks.com).
